Greetings Tarrant County Community, Friends, Family and Guest,

I would like to welcome you to the 29th Annual Gay Pride Week Celebration "One Heart, One World, One Pride". As we set off to a week full of fun and exciting events for everyone, I hope you find an event that is celebratory and meaningful to you and your family. Each year we grow and expand our reach of people in many different ways and this year is no exception. With the addition of our Long-Range Parade Planning Committee, we are excited about the changes in the Parade this year and we are looking forwards to the major changes in our 30th Anniversary Parade in 2011. We have added a block party with vendors, food, beverage and pet area to enjoy to day of the parade. This year the Main Stage is returning to the picnic and we are planning non-stop live entertainment all afternoon.

Gay Pride Week could not be possible without the continuing support of the Tarrant County Community, Bars, Churches and our Corporate Partners. We thank you very much for your support to the GLBT community.

Also I would like to thank the Officers and Committee Chairs and Titleholder that work hard all year long to raise money and organize the events! You are an outstanding group of people and I thank you from the bottom of my heart for your had work and dedication to this community.

Now let's get ready to enjoy 29th Annual Gay Pride Week and please stop and say hello to everyone one you see along the way.

Live on the Budwiser Main Stage

Like many new country singers of the mid-'90s, James Allen fused on traditionalist country with a slick, rock-oriented sense of style and production. James Allen was a little wilder, at least off the stage, than many of his peers but his soon to be released record has a down-to-earth sense of sentimentality that he believes will give him a broad fan base.

Born in Portsmouth, Ohio, James Allen became involved in music as he was growing up. He sang gospel music and learned how to play guitar and piano. A few years later after he graduated from

high school, he moved just north of his home town to Columbus Ohio. He began singing and traveling with a gospel group for a few years before heading out west to Phoenix AZ. Initially, he had a difficult time gaining a foothold in the music industry, spending six years without making any real headway.

James Allen moved from out west and headed to music city Nashville Tennessee, where he began slugging it out in local honky tonks, developing a small but dedicated following of fans. James Allen is awaiting his first single, "If I Didn't Know Better," to be released for radio soon.

Fairness Fort Worth

Building for Tomorrow

In our first year we've led the way in:

- Arranging for safe interviews of 38 witnesses for three investigation into the Rainbow Lounge Raid.
- Opening the eyes of City Hall to the strength and commitment of our GLBT Community.
- Creating a strong working relationship with the FWPD.
- Participating in the City Manager's Diversity Task Force.
- Adding Transgender, Gender Identity and Gender Expression to our local non-discrimination ordinance.
- Advancing Domestic Partner Benefits for city employees.
- Pressing for GLBT inclusiveness in Convention-Visitors Bureau marketing and in all city contracts.
- Beginning to teach a 4-hour GLBT Diversity Training course to all 6400 city employees, a 5-year project no US city has done.

You'll be blown away to see what we've got planned for year-two!

Fairness Fort Worth is hoping to assemble more talented community members that will strengthen the organization and enhance our skills as we grow. Volunteer Opportunities and Charter Memberships are available - call or visit:
